## Intra-class Rhymes Competition

February 15, 2024 | Tr. Parameshwari

Rhymes enjoy an undisputed importance in the life of a kindergartener. Teaching nursery rhymes not only develops speaking skills but also helps express their feelings through facial expressions and gestures. Understanding poems makes a child sensitive and reciting the same makes them creative. A strong performance is one in which the meaning of the poem is powerfully conveyed to the audience. This was displayed beautifully by the students of PPI and PP2 when they participated in the English Rhyme Competition, held at Kamak matric hr. Sec School. The students made all the characters of each rhyme come alive. They enthralled their teachers and friends with their memory skills while reciting rhymes. It was an excellent opportunity for them to gain confidence through stage exposure.

Brown colour day was celebrated by KG children in our school campus on 16/02/ 2024. To start with, our children came dressed up in a mixture of colourful shades of brown. It was awesome to see. Our PPI children were given a craft work activity, on making a beautiful brown cat. Our PP2 children were given a craft work activity, on making a pretty brown teddy bear. Each child enjoy her/his work in finishing it on time. We could see the graceful look on each face, when they worked together. So, this is how the celebration started and ended with a joy of happiness.

## Blessing Day-Grade XI & XII

February 28, 2024 | Renny Obelia - Grade XII

"Blessing is the most powerful thing in a person's life"

There is nothing without blessing. Yesterday's Blessing Day was very touching for us and it motivated us. It gives us some moral value. The welcome speech, MC, and Vote of thanks were very nice. The Speech by our former correspondent Mrs. Vanaja Rajagopalan gives us an abundance of energy. Prayer for the 11th and 12th Students is a powerful weapon that our management has granted us. So, first I thank the management. Then we received blessings from the elders and we got hall tickets and a pen gifted by Geetha mam. Thank you so much for giving us all your blessings and wishes for our exams. And it was an immense pleasure to get blessings yesterday. It was a well-organized event. Thank you for all your blessings.
